## **CONDITIONS AND REGULATIONS**

### **A. Show and Exhibition Rules.**

1. The Society shall hold a Show annually on such day or days as the Board of Management shall determine.
2. The Board shall have absolute discretion as to the Classes of Exhibits, the persons eligible to compete in any class, the PRIZE MONEY to be offered, the level of Entry Fees, the conditions of entry and exhibition, and all other matters connected with the Show.
3. The Board of Management shall approve the Schedule of Prize Money for each year and send a copy to all Exhibitors who entered in the previous year; otherwise schedules will only be supplied on request and upon receipt of a C5, 85p SAE.
4. Animals which are subject to restrictions under the Animal Health Act 1981 (as amended) or the Animal and Animal products (Import and Export) (England and Wales) Regulations 2000 (as amended) will not be allowed onto the Showground.
5. Every Exhibitor or Competitor is requested to examine carefully the list of prize money and conditions, as he/she will be held responsible for the correctness of his/her entry form. An Exhibitor's entry may be disqualified should they have failed to give any of the information asked for on an entry form. A Competitor's award may be cancelled if they fail to prove the accuracy of the details on the entry form. If an Exhibitor desires his animal to compete for any special prize offered, he must notify this on the entry form where requested to do so.

6. Every exhibit must be the bona fide property of the Exhibitor at the time of entry. In the event of the death of an Exhibitor between the date of entry and the date of the Show, the executors of the deceased will be deemed to be the Exhibitor.
7. The term Exhibitor will include persons taking part in any competition or display arranged by the Society, and the owner of any horse, plant, machinery or other thing involved in any such competition or display or otherwise exhibited on the Showground.
8. Entries from persons under 18 years of age may be accepted only provided the entry forms are countersigned by the parent, guardian or trustee of the entrant, who shall be held responsible for the correctness of the entry, and for compliance with the regulations of the Show. Any entry made in contravention of this regulation and inadvertently accepted may be cancelled.
9. Exhibitors are not permitted to enter any horse or pony in any class, which is to be judged by a person who has or has had a financial interest in the animal, or which has stood in his/her stable. One centimetre will be allowed for the shoes.
15. Life Certificates – where a Life Certificate or a Valid Annual Certificate has been issued by the Joint Measurement Board for a horse or pony, this must be produced for inspection by the Veterinary Officer in charge of measuring, otherwise the animal concerned will be measured.

3. Exhibitors shall be responsible for the behaviour of their servants or agents and for the consequences of any misconduct of such servants or agents. Any fine imposed upon an Exhibitor, or a person employed by him, for infringing the regulations or disobedience to the order of the Stewards, shall be recoverable from the Exhibitor as a debt due to the Society and, until such payment, shall debar such Exhibitor from exhibiting at any future show of the Society.

Horses or ponies with unstable or aggressive temperament should not be brought to the Showground. When in the opinion of the Society's Officers, Senior Stewards, the Police, the Health and Safety Executive or other competent authority, an animal's behavior poses an immediate threat to life and limb of people in its immediate vicinity, the Society reserves the right to mitigate such threat in such manner as they see fit, without any obligation to make good any loss or damage suffered as consequence of enacting this regulation.

Any objection authorized by this rule and any matters not provided for by these Rules or the General Rules of the Society shall be referred to the Board, whose decision shall be final. Any person lodging an objection shall at the same time deposit the sum of £100 with the Secretary, which shall be forfeited if, in the opinion of the Board, such objection shall be considered frivolous. All objections must be made in writing and must be received by the Secretary on the day of the Show.
12. **Photographic Rights** - Competitors and Exhibitors give permission for any photographic and/or film or TV footage taken of persons or horses/ponies taking part in Newbury and District Agricultural Society events to be used and published in any media whatsoever for editorial purposes, press information or advertising by or on behalf of Newbury and District Agricultural Society and/or official sponsors of Newbury and District Agricultural Society.

In such an event a certificate recording the findings of the Inspector shall be handed to the person in charge of the rejected animal. Each Exhibitor of a horse or pony shall be responsible for payment to the Society for costs incurred as and for liquidated damages for any animal sent for exhibition which has to be placed in isolation because it is showing signs or symptoms of contagious or infectious disease, or any form of disease likely to prove dangerous to other animals. Any owner of a horse or pony, which may have been suffering from any contagious or infectious disease or which develops such a disease whilst on the Showground is liable to compensate the Society for all expenses incurred in connection with any claims resulting from such diseases. The Society's Veterinary Officers are authorized to refuse permission for any animal to be admitted to, or to have to be removed from, the Showground, any animals affected with contagious or infectious disease or with disease, which, in their opinion, was likely to prove dangerous to other animals. Concealment of any disease will render the Exhibitor liable to disqualification.
10. **Strangles and Ringworm** - It is a condition of entry that: All horses and ponies (including donkeys and mules) have not shown any symptoms of strangles or ringworm, or have been in contact with any horses or ponies (including donkeys and mules) which have shown symptoms of strangles or ringworm or been in contact with premises where there has been equines infected with strangles or ringworm within 15 days prior to entry or exhibiting at the Show'.
11. The Certificate of the Chief Veterinary Officer, whether as to age or soundness, shall be required only in cases where the Judges are in doubt, or where the Stewards may consider it necessary. ## **DIRECTIONS – IMPORTANT CHANGES – PLEASE NOTE**

**Please do not use SAT NAV to find your way to the Showground.** It takes no account of our traffic management plan and you will be directed to the wrong place. Please use the directions below.

Those approaching from M4 Reading will be directed off M4 at Junction 12 (A4 Reading West) to travel A4 to join B4009 at Newbury. From the west (Swindon) equine exhibitors will be directed to leave M4 at Junction 14 (A338 Hungerford) and travel A338, A4 to B4009 at Robin Hood roundabout, Newbury. **This has been redirected due to large horse boxes negotiating mini roundabouts and speed cushions along the Turnpike Road.** Equine exhibitors from the south (A34 Winchester) will be directed to leave A34 at A4 (Speen) and travel A4 to B4009. Equine exhibitors from A339 (Basingstoke) will remain on A339 to join B4009 at Newbury.

Equine exhibitors from the north (A34 Oxford) will be directed to leave A34 at East Ilsley and travel via Compton to join B4009 at Hampstead Norreys. All will then be directed to enter Priors Court Road from B4009 junction. Equine exhibitors are specifically requested to approach the showground from the east, however **if they try to approach trying to use the A34 over bridge they will be directed to the alternate route and will not be allowed through the road closure.**

## **INTERPRETATION OF REGULATIONS**

The Society reserves to itself by its Council the sole and absolute right to interpret these or any other prescribed conditions and regulations, or Prize Sheets, and to settle arbitrarily and determine all matters, questions or differences in regard thereto, or otherwise arising out of, connected with or incident to the Show. Also to refuse and to cancel any entries, disqualify Exhibitors, prohibit exhibition of entries, vary or cancel awards of prizes, reserve numbers, or relax conditions, as the Society may deem expedient.

## **QUESTIONS NOT PROVIDED FOR**

Should any question arise not provided for in these Conditions it must be referred to the Board, whose decision shall be final.

The Officers, Show Committee and Council of the Newbury and District Agricultural Society have endeavored to ensure the correctness of the particulars printed in the Schedule but will not accept responsibility for any error or mistake which may appear herein.

## **Working Hunters (Open)**

A mare, gelding **or stallion (competing stallions must have a red, white and**

**blue ribbon displayed in their tail)** four years old and over exceeding 148cm (14.2hh approx) to be judged in accordance with the rules herein set out. Grade A Show-jumpers and Advanced Event horses are not eligible to compete in these Classes. Any horse which has qualified as a Grade A 6 Show Jumper or Advanced Event Horse as at 1st January in the current year is not eligible to compete in Working Hunter classes. To be judged 60% for jumping performance, 40% as for Hunter Classes.

The jumping to be judged 40% for actual jumping and 20% style and presence. Ride and conformation 40%. Fences to be a minimum of 8 and a maximum of 12 in number and a maximum height of 1.14m (3ft 9ins) at the discretion of the Judges. Fences should have a natural appearance and not be easily dislodged. No un-numbered obstacle can be included in the course. The manner of going to be taken into account. No change of rider or tack will be allowed (unless a horse is ridden under side-saddle, in which case, in order to allow the judge to ride, the saddle may be changed for the riding phase only).

A rider can ride up to two horses in the jumping phase but then must select only one horse to take forward into the ride and conformation section if so required (no change of rider is allowed). A skull cap or hat and safety harness according to the current approved BSI or European Standard must be worn by ALL competitors in the jumping phase of Working Hunter Classes. Skull caps must have a navy blue or black cover. No hind boots or bandages of any description are allowed in the collecting ring, warm up or in the actual class. On completion of the jumping phase all clear rounds and any other horses the judges may require should be asked to return to the ring. If a horse positively stops, ceases to go forwards at any time during its jumping round, or turns its quarters to a fence, or has a complete turnaround these constitute refusals. If a horse jumps the incorrect fence out of a pen or lane it will be eliminated. Horses displaying continued disobedience, or horses leaving the ring whether mounted or dismounted will be eliminated. **Working Hunters should initially be called in and lined up in random order.**

### **Penalties:**

First Refusal 15

Second Refusal 20

Third Refusal Elimination

Jumping Knockdown 10 (BSJA Rules apply for the definition of a knockdown)

Fall of Horse or Rider Elimination

Where there are two classes scheduled, the division of weights should be:

Lightweight Mare or gelding, 4 years old or over, capable of carrying 13 stone and under.

Heavyweight Mare or gelding, 4 years old or over, capable of carrying over 13 stone.

Horses with minus scores will not be required for the second phase of the class.

If Shows wish, in order to save time, they can use two Judges, one of whom would judge the conformation and need not necessarily be on the Ridden Hunter Panel. It is suggested that the Judge of the Hunter Breeding Classes be asked to judge the conformation of the Working Hunter Class while the other Judge is judging the ride. Horses must not be ridden by the Judge in the same ring and at the same time as other horses are jumping. Suitable fences of natural appearance must be available. Judges will not jump horses in Working Hunter Classes. Where there is a separate Judge for the conformation, marks should be divided equally, ie:

Judge A Ride 20%

Judge B Conformation 20%

In the event of a tie in marks, the conformation mark will take precedence, followed by the ride mark, followed by the style mark.

### **Ridden Mountain and Moorland**

**NPS Mountain and Moorland Qualifying Rounds:** These classes are judged under the Rules of the NPS. Ponies must be registered in the main body of their respective Mountain & Moorland Stud Books. Part bred are not eligible. Qualifying rounds for most NPS competitions are open to ponies owned by NPS members and non-members but only ponies owned by adult NPS members are eligible to qualify for the final of the competition at the NPS Summer Championship Show at Malvern in August 2012.

The highest placed pony owned by an NPS member in each class will qualify for the final. Where this pony has already qualified the pony standing next in line which is owned by an NPS member and has not already qualified receives the qualification. Qualification may go no lower than 3rd place. Judges and/or stewards will check membership cards prior to presenting the qualifying rosettes and cards. NPS Standard members will be required to upgrade to Full membership to enter the final.

NPS/Rosettes Direct Home Produced Ridden Championship - Riders of Home Produced ponies (see definition in the NPS Rules Book) can wear a white arm band in classes where this is indicated. These ponies, if owned by NPS members, are then eligible to qualify for the final at the NPS Summer Championship Show.
